## Borrowing Club Equipment (Summer Program)

Club equipment may be borrowed to facilitate you participating in HJCC events that are external to HOAC, subject to the following conditions;

- All equipment must be signed out in the book (in the top draw of the green shed)
- All equipment must be returned to the green shed at the earliest opportunity
- Equipment must only be used for club events, or when a club coach is present - any exceptions to this must be approved by a club coach or club official
- HOAC “Young Leaders” who are HJCC Members may make arrangement to temporarily keep HJCC equipment in a HOAC locked compound.

**Note:** Use of equipment outside of a club event is not covered by the clubs insurance and thus is not permitted.

**Note:** Where equipment usage is approved then the member **MUST** hold BCU membership (see below) to ensure minimum liability cover is in place.

## Borrowing Club Equipment (Pool Sessions)

Members without equipment may sign-out club equipment for the winter pool sessions.

- Borrowed equipment must not be stored outside during the winter.

**Note:** Boats, especially our small Stars, are in short supply, and we will re-allocate club equipment at pool session where necessary to ensure the optimal pairing of paddlers and their ability with the kayaks the club has available.

I have read and understand the rules for borrowing club equipment.

## BCU / Canoe-England Membership

If you intend to paddle your own canoe or kayak outside of HOAC or paddle a club boat (with permission) outside of a club-run event then it is essential that you have both personal liability insurance and an appropriate waterways license (subject to the location).

Your club membership only covers you when part of a club-run event. Personal BCU Membership provides you with licenses to paddle on 4,500km of UK waterways and civil liability insurance up to £10m. - For more information: <http://www.canoe-england.org.uk/membership/>
